Three interesting food facts

1

The Bedouin people, who live in the deserts of Africa, sometimes prepare a very big meal to celebrate **weddings**. The cook uses some eggs, some fish, some chickens, a sheep, and a camel to prepare it. He **stuffs** the fish with the eggs, the chickens with the fish, the sheep with the chickens, and the camel with the sheep. Then he cooks all the ingredients together in an enormous **oven** in the ground.

2

It was an 11-year-old American boy who invented these. In 1905, the boy, Frank Epperson, wanted to make a drink. He put some soda **powder** in a cup of water and used a stick to mix it. Then he forgot about the drink and left it outside. That night it was very cold, so the mixture **froze**. Eighteen years later, he made some more of the frozen mixture and sold his first one at an amusement park. Americans call them 'popsicles'.

3

You can find this liquid in young fruit that are still green. People drank it in South-East Asia, Africa, and the Caribbean before it became popular as a health drink. Today athletes drink it after doing sport. It is very good for you as it is low in **fats** and **sugars**. Doctors sometimes use it in an emergency because it is similar to human **plasma**.
