

## Could for past ability

I could read when I was two years old.

I could add and subtract when I was three.

But I couldn't ride a bike when I was five!

### 1 Read, look and match.

I could paint when I was five.

I couldn't jump rope when I was seven.

I could fly when I was one.

### 2 Look and write could or couldn't.

1. The lion            roar when it was little.

2. The dolphin            swim when it was little.

## Could for past ability, interrogative

When you were little,  
could you **brush** your hair?

When you were little,  
could you **climb** a tree?

No, I **couldn't**.

Yes, I **could!**

N
