

"Show me, show me, show me how you do that trick
The one that makes me scream" she said
"The one that makes me _____" she said
And _____ her arms around my neck

Show me how you do it
And I promise you I _____ that
I'll run away with you
I'll _____ with you

Spinning on that _____ edge
I kissed her face and kissed her head
And dreamed of all the different ways I had
To make her _____
Why are you so far away, she said
Why won't you ever know that I'm in love with you
That I'm in love with you

You
Soft and _____
You
Lost and lonely
You
Strange as angels
Dancing in the _____ oceans
Twisting in the water
You're just like a dream
You're just like a dream

Daylight licked me into shape
I must have been _____ for days
And moving lips to breathe her name
I opened up my eyes

And found myself _____, alone
Alone above a _____ sea
That stole the only girl I loved
And _____ her deep inside of me

You
Soft and lonely
You
Lost and lonely
You
Just like heaven
