

Somewhere Only We Know - Keane

I an empty land
I knew the pathway like the
I felt the earth beneath my feet
Sat by the river and it made me

Oh, simple thing, ?
I'm getting old and I need something to rely on
So tell me when you're gonna let me in
I'm getting tired and I need to begin

I came across a fallen tree
I felt the branches of it
Is this the place we used to love?
Is this the that I've been dreaming of?

Oh, simple thing,
I'm getting old and I need something to rely on
So tell me when you're gonna let me in
I'm getting tired and I need to begin

And if you have a why don't we go
Talk about it somewhere only we know?
This could be the end of
So why don't we go
Somewhere only we know?
(Somewhere only we know)
