 ..... 1 Hello. Can I help you?  
 ..... It's twelve dollars.  
 ..... Yes, how much is this ring?  
 ..... They're twenty dollars.  
 ..... Thanks. I'll think about it.
2. .... Can I help you?  
 ..... Oh, that's pretty expensive.

 ..... Well, how about thirty dollars?  
 ..... It's forty dollars.

**B CLASS ACTIVITY** Plan a class yard sale. Form two groups. Make a list of things your group will sell, and give each item a price.

Now have the yard sale:

*Group A:* You are the sellers. Try to sell everything on your list to Group B. Then change roles and decide what to buy from Group B.

*Group B:* You are the buyers. Ask questions and decide what to buy. Then change roles and try to sell everything on your list to Group A.
