

Crucigramas de operaciones

A crossword puzzle grid with arithmetic problems. The grid is composed of white squares for numbers and black squares for empty space. The problems are as follows:

- Across:**
 - Top right: $6 + \square = 7$
 - Middle left: $\square + \square = 2$
 - Middle right: $2 + \square = 6$
 - Bottom left: $5 + \square = \square$
 - Bottom right: $\square + \square = 9$
 - Bottom center: $2 + \square = \square$
 - Bottom right: $\square + \square = 8$
- Down:**
 - Top center: $\square + \square = \square$
 - Middle left: $\begin{matrix} + \\ 4 \\ = \end{matrix}$
 - Middle right: $\begin{matrix} + \\ 2 \\ = \end{matrix}$
 - Bottom left: $\begin{matrix} + \\ 7 \\ = \end{matrix}$
 - Bottom center: $\begin{matrix} + \\ 5 \\ = \end{matrix}$
 - Bottom left: $\begin{matrix} + \\ 1 \\ = \end{matrix}$
 - Bottom center: $\begin{matrix} 3 \\ + \\ = \end{matrix}$

A cartoon boy is sitting on a large green plus sign in the center of the grid.
