

Correct the information

1. There are different places to visit in Guatemala.

The most coolest place in the city is Museo Del Ferrocarril. There you will find some of the most old machines used to get around in Guatemala many years ago.

I think , this museum is as interesting than many others in thy city, but it is the only one where you can get on the trains and take pictures of them.

You can visit

- 1.
- 2.
- 3.
