There is one example.

A CLASSROOM

I have two windows, four walls and a door. Children sit on (1) at their desks in me. They open their (2) and read the words in them. They write and draw with (3) or pens in me. But the children don't play games like (4) in me! The (5) is very nice. She gives the children lessons in me. What am I? I am a classroom.
