

REVIEW SCIENCE 2 – SEMESTER 2

Question 1. Choose the correct answer

A. twist B. bend C. squash D. stretch

Question 2. Choose the correct answer

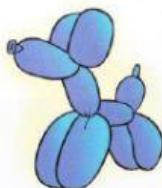

A. twist B. bend C. squash D. stretch

Question 3. Choose the correct answer

A. heating B. blowing C. using D. twisting

Question 4. These materials have been

A. heated B. stretched C. bent D. twisted

Question 5. is so fantastic!

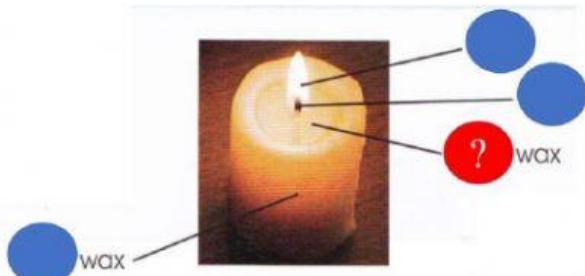

- A. Flying
- B. Skipping rope
- C. Bungee jumping
- D. Dancing

Question 6. Sports players use materials to train their muscles.

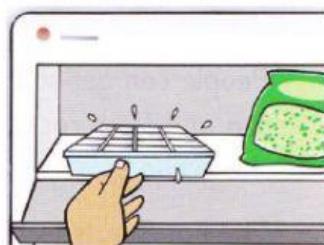

- A. Rubber
- B. twist
- C. elastic
- D. plastic

Question 7. Choose the correct answer:

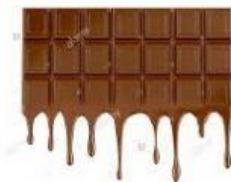

- A. Solid
- B. liquid
- C. wick
- D. flame

Question 8. Choose the correct answer:

- A. heat
- B. melt
- C. cool
- D. blow

Question 9. The chocolate is

A. twisting B. bending C. melting D. cooling

Question 10. Where does **salt** come from?

a. the sea b. beaches c. rocks on land d. rivers

Question 11. Fill in the blank: “_____ wash salt into the sea”

a. the sea b. beaches c. rocks on land d. rivers

- a. dark
- b. a light source
- c. the Moon
- d. the star

Question 20. Which things use electricity?

- a. a candle
- b. a cupboard
- c. a lamp
- d. a table

Question 21. Which things use cells?

- a. a clock
- b. a TV
- c. a rice cooker
- d. a microwave

Question 22. We can use electricity to...

- a. make sound
- b. heat things up
- c. make light
- d. cool things down

Question 23. Cells are used for **things that people carry** like ...

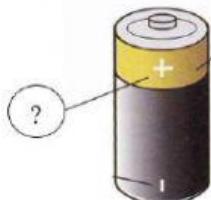

- a. telephones
- b. mobile phones
- c. TV
- d. microwave

Question 24. What is the name of this part?

- a. Cell
- b. A bulb
- c. Battery
- d. Wire

Question 25. Choose the best answer

- a. negative side
- b. positive side
- c. cell
- d. bulb

Question 26. Choose the thing that use Motor:

a.

b.

c.

d.

Question 27. A..... can make a sound.

- a. buzzer
- b. motor
- c. watch
- d. battery

Question 28. A can make things spin round.

- a. cell
- b. wire
- c. motor
- d. bulb holder

Question 29. What are these?

- a. Buzzers
- b. Switches
- c. Bulbs
- d. Wires

Question 30. Cell holder is used to hold the

- b. wire
- b. wire
- c. bulb
- d. cell

Writing

Question 1. Fill in the blank:

Cool, melt, ice, solid, ice cream, liquid

You can also **cool** materials.

A will change to a if it is cooled to a low enough temperature.

If water is put into a freezer it changes to

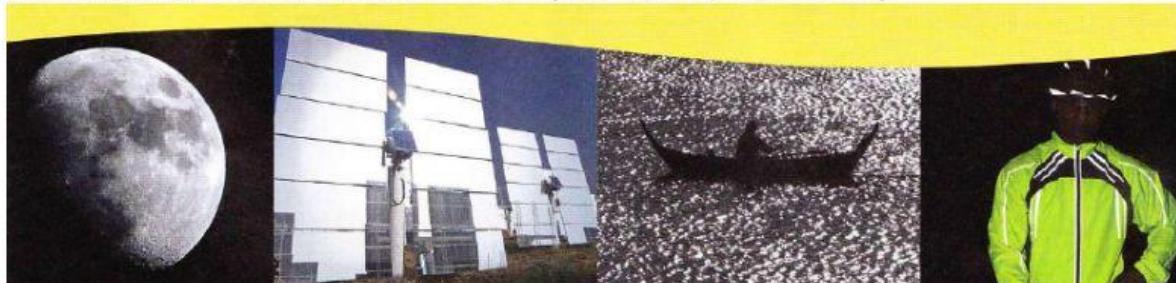

Question 2. We can change the shape of materials by , and

(Using these words to complete the sentence: bend, twist, stretch, squash)
