

Look at the map of the Roman Conquest. You can see dots (.) that show different towns. Next to them you can see the names given by the Romans and in brackets the actual name. Find these towns and write their actual names.

Roman name	Actual name
Asturica Augusta	
Calagurris	
Tarraco	
Emerita Augusta	
Carthago Nova	
Saguntum	
Salmantica	
Olisipo	
Toletum	
Emporion	
Pompaelo (This one is not on the map but you can guess it)
