

# FIRST CONDITIONAL

condition + outcome

a correct    when    Future    Present Simple  
in case    an incorrect    will    as soon as

The condition part can start with if, \_\_\_\_,  
\_\_\_\_, \_\_\_\_, etc.

We use \_\_\_\_\_ in the condition part.

We use \_\_\_\_\_ in the outcome part.

We must never use \_\_\_\_ in the condition part.

This is \_\_\_\_\_ example of a conditional:

*If I will go there, I will ask this question.*

This is \_\_\_\_\_ example of a conditional:

*If he likes my plan, we will sign a contract..*
