

LITTLETOWN FÊTE

At last the park is ready. You've cleaned it and you've planted trees and flowers. You have designed and painted the skate zone, too. Well done everybody!

To celebrate, there's going to be a fete in the park on Sunday. There'll be lots of exciting rides and there'll be a parade and a skateboard display, too. There'll also be a barbecue so if you are hungry you can eat a delicious hamburger or hot dog.

Finally, in the evening there will be a grand concert by the winners of the Operation Singing Stars Competition, The Britney Brothers.

Come and enjoy the fun!

Tim.
