Student name: .....

Date: .....

There are a lot of (1) ..... places I'd like to visit. However, most of all I would really like to visit South Korea which I have plenty of (2)..... to do: to visit beautiful places, to feel and enjoy the (3)..... life and crowded streets and to try all the Korean foods. I believe that the (4)..... season is the best time to visit Korea because I can see the most magnificent display of "Cherry Blossom". I also want to visit all the historical places in South Korea like Jeju (5)....., it is the most beautiful place I've seen in all the Korean (6)..... I had watched. And of course, I'm going to "Seoul street food" to try their rice cake (teobokki), grilled marinated beef (bulgogi), spiced (7)..... (buldak), and their traditional vegetables "kimchi". There are many amazing things about Korea that we can only feel and (8)..... when we visit Korea, and I hope I can do that someday. If my (9)..... come true I think I just have to prepare a backpack and (10)..... clothes and most importantly I will not forget to bring my camera to capture my wonderful moments in Korea.
