ROMANS IN THE ANCIENT HISTORY

1. Write: *Greeks* or *Romans*.

_____ _____ _____ _____

_____ _____ _____ _____

2. Classify these words (pick the word and move it to its place on the chart):

Aqueducts	Rome	Books	Bridges
Roads	Latin	Hispania	Newspapers

Language	Name of Spain	Buildings	Inventions	Most important city

3. Match the names of the buildings and their function (match the dots).

- AQUEDUCTS
- BATHS
- THEATRE
- BRIDGE
- ROAD
- TEMPLE
- AMPHITHEATRE (COLISEUM)

- People watched theatre plays.
- They carried water to all places in the city.
- People crossed from one side of the river to the other.
- People had a bath to be clean.
- People watched performances and fights.
- Carriages, horses and people walked them to travel from one city to another.
- This was an important place for the Roman kings and gods.
