Adults 1 – Test 1

Read the text and answer the questions.

Hello! We are Gina and Jenny, and we are twin sisters. We live in England with our parents, Larry and Claire. Our birthday is on 10/04. We don't live in the city center, so mum takes us to school in her red car. She usually plays some old pop music. She really likes it. It's her favourite. Dad works from the morning until the evening, just when we arrive home, so we have dinner all together.

Gina and I usually spend time with our friends Tom, Katie and Peter on Saturdays, but on Sundays we go to the park with mum and dad, and we like taking nice pictures like this one. We love our family.
