

Look at the picture and make a simple sentence using **SVO** form. Then make a paragraph from those sentences. Use **SIMPLE PRESENT TENSE**. This is an example for you to follow:

| Subjects | Verbs | Objects/Agreement             |
|----------|-------|-------------------------------|
| Aishah   | is    | at the school canteen         |
| She      | is    | Hungry.                       |
| She      | takes | her food from a food counter. |
| She      | wants | to join her friends.          |

Aishah is at a school canteen. She is hungry. She takes her food from a food counter. She wants to join her friends.

Now, it is for you to try out...

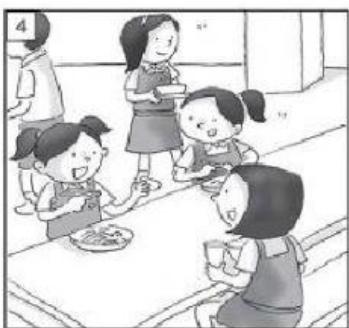

| Subjects | Verbs | Objects/Agreement |
|----------|-------|-------------------|
|          |       |                   |
|          |       |                   |
|          |       |                   |
|          |       |                   |

| Subjects | Verbs | Objects/Agreement |
|----------|-------|-------------------|
|          |       |                   |
|          |       |                   |
|          |       |                   |
|          |       |                   |
