

## Practice

Drag and drop the story events from the story "Major Tom in Space" in the correct order:

|   |   |
|---|---|
| 1 | Ground Control tells Major Tom there may be an air leak in his space suit.  |
| 2 | Major Tom attends a press conference and talks about the repairs he and his team made at the International Space Station. |
| 3 | Major Tom and two other astronauts blast off into space.  |
| 4 | Major Tom gets used to zero gravity. He often goes to the Cupola module to observe the Earth.                             |
| 5 | Major Tom returns to the airlock, and six days later, he returns to Earth.  |
| 6 | Major Tom Decker hears the song "Space Oddity" on the radio. It makes him feel uneasy.                                    |
| 7 | Major Tom goes outside the spacecraft for an extravehicular activity.   |
