Japan Tourism

Soon, Japan _____ to tourists and end its two-year
(open)
closure. Recently, the government _____ to allow tourists to
(decide)
visit again. However, there _____ strict rules. There
(be)
will be a daily maximum of 20,000 visitors and authorities
_____ their activities. All visitors have to _____ negative
(monitor) (test)
for COVID-19. Some people might have to _____ more
(take)
tests. Japan _____ almost the strictest border controls of
(have)
any country.

This change _____ good news for Japan's tourist industry,
(be)
which has suffered for two years. Japan had 32 million
tourists in 2019, but that number _____ to 250,000 in
(fall)
2021. The President of ANA (a Japanese airline) said, "I am
_____ the border controls will end quickly."
(hope)
