Tomás: -Hi, Lily! How are you?

Lily: -Doing well and working a lot as an electrician. Are you still studying?

Tomás: -Yes! It is my third month in the course. I _____ do many things now! I _____ test electrical systems on my own.

Lily: -How wonderful! _____ you inspect electrical systems already?

Tomás: -Yes, I _____ but I _____ install conduits and pipes to house electrical wires and cables yet.

Lily: -That is a lot! Great job! I am going to diagnose an electrical problem in a house. _____ you come with me?

Tomás: -Yes, I _____! That would be great! Let's go!

Tomás: -Thank you for the opportunity. _____ I diagnose the problem?

Lily: -Yes, you _____ but remember you _____ touch the electrical wiring without the safety equipment.
