Part 1

Read the text and answer the questions with <u>complete sentences</u>:

Dear Daisy,

How are you? I'm studying English in Australia. I live in Sydney now. This is very beautiful. I live next to the station in Church Street. I go to a big school opposite my house. The school is called "The Forest" and I like it very much. In my class there are fifteen students, seven girls and eight boys. Our teacher's name is Raphael. He is tall, slim and bald.

My friends here are very nice. My best friend is a girl named Anne Marie. She is from Canada. She is learning English too. She can speak three languages: French, English and Italian but she can't speak Spanish. She is very funny. We usually go to school at nine o'clock. We walk to school every day. After school, we usually play in the park. Yesterday we went to the shopping centre and the cinema. We had some ice cream. It was great.

Now I am in my bedroom with Anne Marie. She is reading a magazine and I am writing to you. I hope you are fine. Write to me soon.

Love and kisses,

Sophie
