### A day at school

I go to a small school near Bristol.

At quarter to nine we've got assembly.

Lessons begin at quarter past nine. Today we've got science at quarter past nine and maths at quarter past ten. After that, at quarter past eleven, we've got a break and then we've got English at quarter to twelve. We have lunch at half past twelve. Lessons start in the afternoon at quarter to two with drama. At half past two we've got PE. School finishes at half past three. On Mondays, I go to art club. On Fridays, I go to music club. I like piano and guitar and I play them at home every day.
