

# *I still haven't found what I'm looking for-u2*

I have      climbed      clim      clomt highest mountains

I have      runed      run      ran through the fields

Only to be with you

Only to be with you

I have      runed      run      ran

I have      craulcrawl      crawled

I have      scale      scalt      scaled these city walls

These city walls

Only to be with you

But I still    haven't    didn't    have found what I'm looking for

But I still    haven't    didn't    have found what I'm looking for

I have      kiss    kissed    kisst honey lips

Felt the healing in her fingertips

## *Happier Marshmello*

Lately, I've been, I've been (think)  
I want you to be happier; I want you to be happier

When the morning comes  
When we see what we've (become)  
In the cold light of day we're a flame in the wind  
Not the fire that we've (begin)  
Every argument, every word we can't take back  
'Cause with the all that has (happen)  
I think that we both know the way that this story ends

Then only for a minute  
I want to change my mind  
'Cause this just don't feel right to me  
I wanna raise your spirits  
I want to see you smile but  
Know that means I'll have to leave

## *The final countdown Europe*

We're headin' for Venus (Venus)

And still we stand tall

'Cause maybe

And welcome us all, yeah

With so many light years to go

And things to be found (to be found)

I'm sure that we all miss her so

It's the final countdown

The final countdown

## *Get Lucky daft punk*

Like the legend of the Phoenix, huh  
all ends with beginnings  
what keeps the planet spinning, ah  
the force from the beginning, hm, love

We've        too far  
to give up who we are  
So let's raise the bar  
And our cups to the stars

She's up all night 'til the sun  
I'm up all night to get some  
she's up all night for good fun  
I'm up all night to get lucky
