

# TO BE YOUNG - Anne Marie feat Doja Cat

Listen to the song and complete the blanks with the following verbs

They \_\_\_\_\_ me I should \_\_\_\_\_ a plan for life  
All I'm thinkin' 'bout is what to \_\_\_\_\_ tonight  
100 miles an hour, no headlights  
On an open road, oh  
We do what we can to dull the pain  
Pinky promise things will stay the same  
Even when I'm old, I'll \_\_\_\_\_ your name  
Anywhere we \_\_\_\_\_, oh  
\_\_\_\_\_  
\_\_\_\_\_ my hair a million colours  
\_\_\_\_\_ I'll make a billion dollars  
I swear that day can't come soon enough  
In the meantime, we just  
Fall in love, broken heart  
\_\_\_\_\_ the rules, drink too much  
We're all a mess, but I guess  
This is what it feels like to be young (to be young)
