

My name is Sara Barton and I work at the same adventure safari park

as Derek Chatham. He's the \_\_\_\_\_ here and cuts the tall

plants. I'm a \_\_\_\_\_ and I work with the animals. Before I

studied at \_\_\_\_\_, I wanted to be a \_\_\_\_\_

and fly planes. You need to be \_\_\_\_\_ to do both jobs, but I'm

happy that I chose this job. It can be difficult sometimes - looking after

lions is more \_\_\_\_\_ than cats or rabbits, but it's also

a very \_\_\_\_\_ job. It feels good to help sick animals and

keep them \_\_\_\_\_. I'm very

\_\_\_\_\_ wildlife, but I sometimes do more

\_\_\_\_\_ activities like karate.
