Pronunciation: The schwa /ə/ sound

2 029 In words with more than one syllable, we usually put the stress on one syllable only. Listen to the stressed syllables in the words below.

● weather ● summer ● shoulder ● tonight

The other syllables in the words are unstressed. Often we pronounce them with a sound called *schwa* /ə/. Listen to the words again and notice the schwa sounds of the syllables.

3 030 Listen to the different pronunciation of the syllables.

stressed	unstressed
man	human
fast	breakfast

4 031 Read the words. Underline the syllables with the stress and circle the syllables with the schwa sound /ə/. Then listen again and repeat. 🎧
