PARADISE - COLDPLAY

When she _____ just a girl
She _____ the world
But it _____ away from her reach
So she _____ away in her sleep
And _____ of paradise
Paradise, paradise, paradise
Every time she _____ her eyes
When she _____ just a girl
She _____ the world
But it _____ away from her reach
And the bullets catch in her teeth
Life goes on, gets so heavy
The wheel breaks the _____
Every tear a waterfall
In the night, the stormy night
She'd close her eyes
In the night, the stormy _____
Away she'd fly
And dreams of paradise
Paradise, paradise, paradise, oh (x2)
So lying underneath the stormy _____
She'd say, oh
'I know the sun will set to rise'
This could be paradise, paradise, paradise
Could be _____, oh
