

# The Golden Compass

Sequence the paragraph in the order Pullman wrote it:

That was when Iorek moved. Like a wave that has been building its strength over a thousand miles of ocean, and which makes little stir rears itself up high into the sky, terrifying the shore dwellers, before crashing down on the land with irresistible power-so Iorek Bymnison rose up against Iofur, exploding upward from his firm footing on the dry rock and slashing with a ferocious left hand at the exposed jaw of Iofur Raknison.
