## **THE FAITHFUL GHOST (2)**

### **Are these sentences TRUE or FALSE?**

- 1- The women in the writer's house liked the ghost because of his romantic story.
- 2- With time, Johnson became a bit depressing and annoying. The writer's family started thinking of ways they could get rid of him.
- 3- The first idea was to find Emily's grave but they were not successful.
- 4- The writer thought that they could just make a grave for Emily and perhaps Johnson would not realise it was not the real grave.
- 5- The family had some workmen dig a little grave at the bottom of their garden.
- 6- The grave had a white gravestone with the words: "In loving memory of Johnson. Tell him I love him."
- 7- When Johnson went down the garden and saw the grave, he was so moved he made the whole family cry.
- 8- Now Johnson spends his time moaning and crying on the grave instead of inside the house.
- 9- Although Johnson is very sad about Emily, he is also pleased to have found her grave.
- 10- The writer promises to take the reader to see Johnson any time, any day of the week when they go visit him.
