In the ....., I just can't wait

To pick you up on our very first date

Is it cool if I hold your .....?

Is it ..... if I think it's lame to dance?

Do you like my stupid.....?

Would you guess that I didn't know what to wear?

I'm just scared of what you'll think

You make me ..... so I really can't eat

Let's go, Don't .....

This night's almost over

Honest, Let's .....this night last forever

Forever and ever
Let's ..... this last forever

When you ....., I melt inside

I'm not worthy for a minute of your time

I .....wish it was only me and you

I'm jealous of ..... in the room

Please, don't look at me with those eyes

Please, don't hint that your capable of lies

I dread the thought of our very first .....

A target that I'm probably gonna miss
