

Dear Rosa,

You are invited to my birthday party next Saturday. It is my twelfth birthday! I am organising a Royal family birthday so please bring a crown and a costume. My mother is making a Buckingham Palace cake. I am preparing some Meghan cookies. I need some William and Harry badges. Can you bring some red, blue and white balloons?

Tom is buying some soda and crisps.

Please arrive at 4pm.

I live at 13, Nixon street.
