Classical Piano Music

A common characteristic of **Classical** music is "graceful" melodies, in clear-cut and balanced phrases.

The **piano** was a relatively new keyboard instrument in the **Classical** period.

A popular musical feature used by **Classical** composers is the **alberti bass**. This is a type of broken chord accompaniment repeated in the left hand.

Extract 6 Listen to an excerpt from the second movement of *Sonata in C (K.545)* by Mozart played on the **piano**. Listen for:

Alberti bass **Simple harmonies** **Clear-cut phrases** **Major**

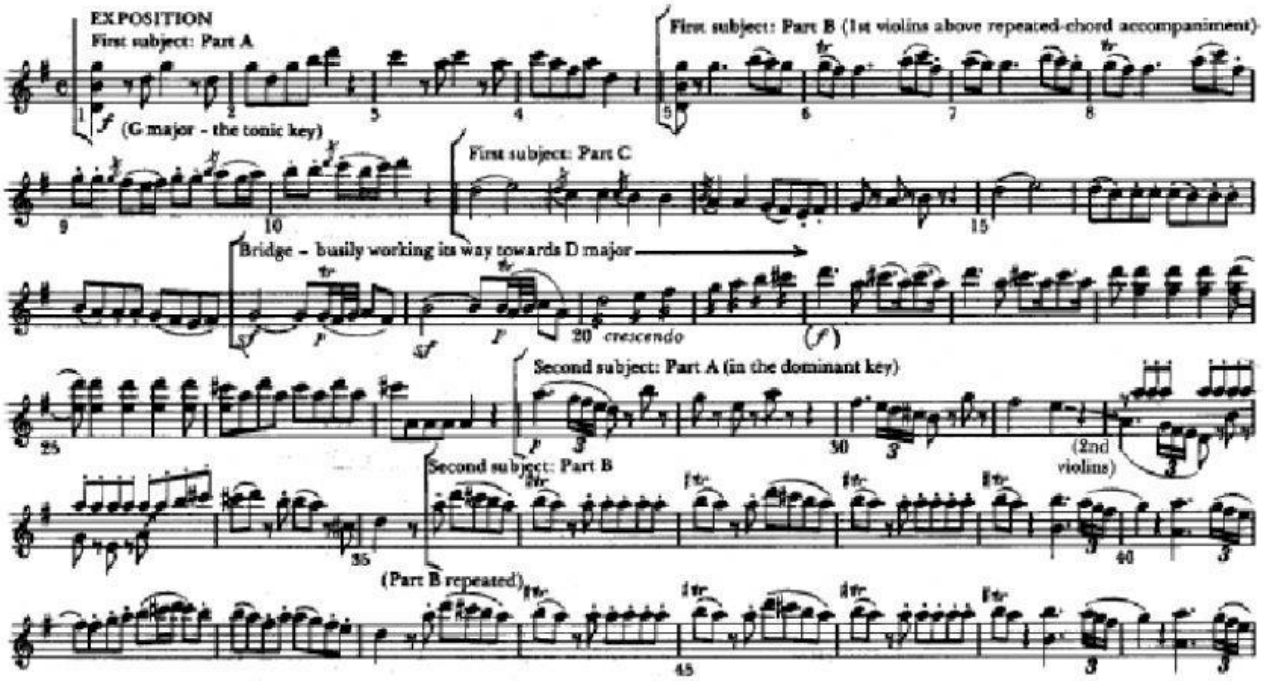
Sonata Form

Sonata Form is one of the most important forms used by composers. It is the form used in the **first movements** of Sonatas, Symphonies, Concertos, String Quartets etc.

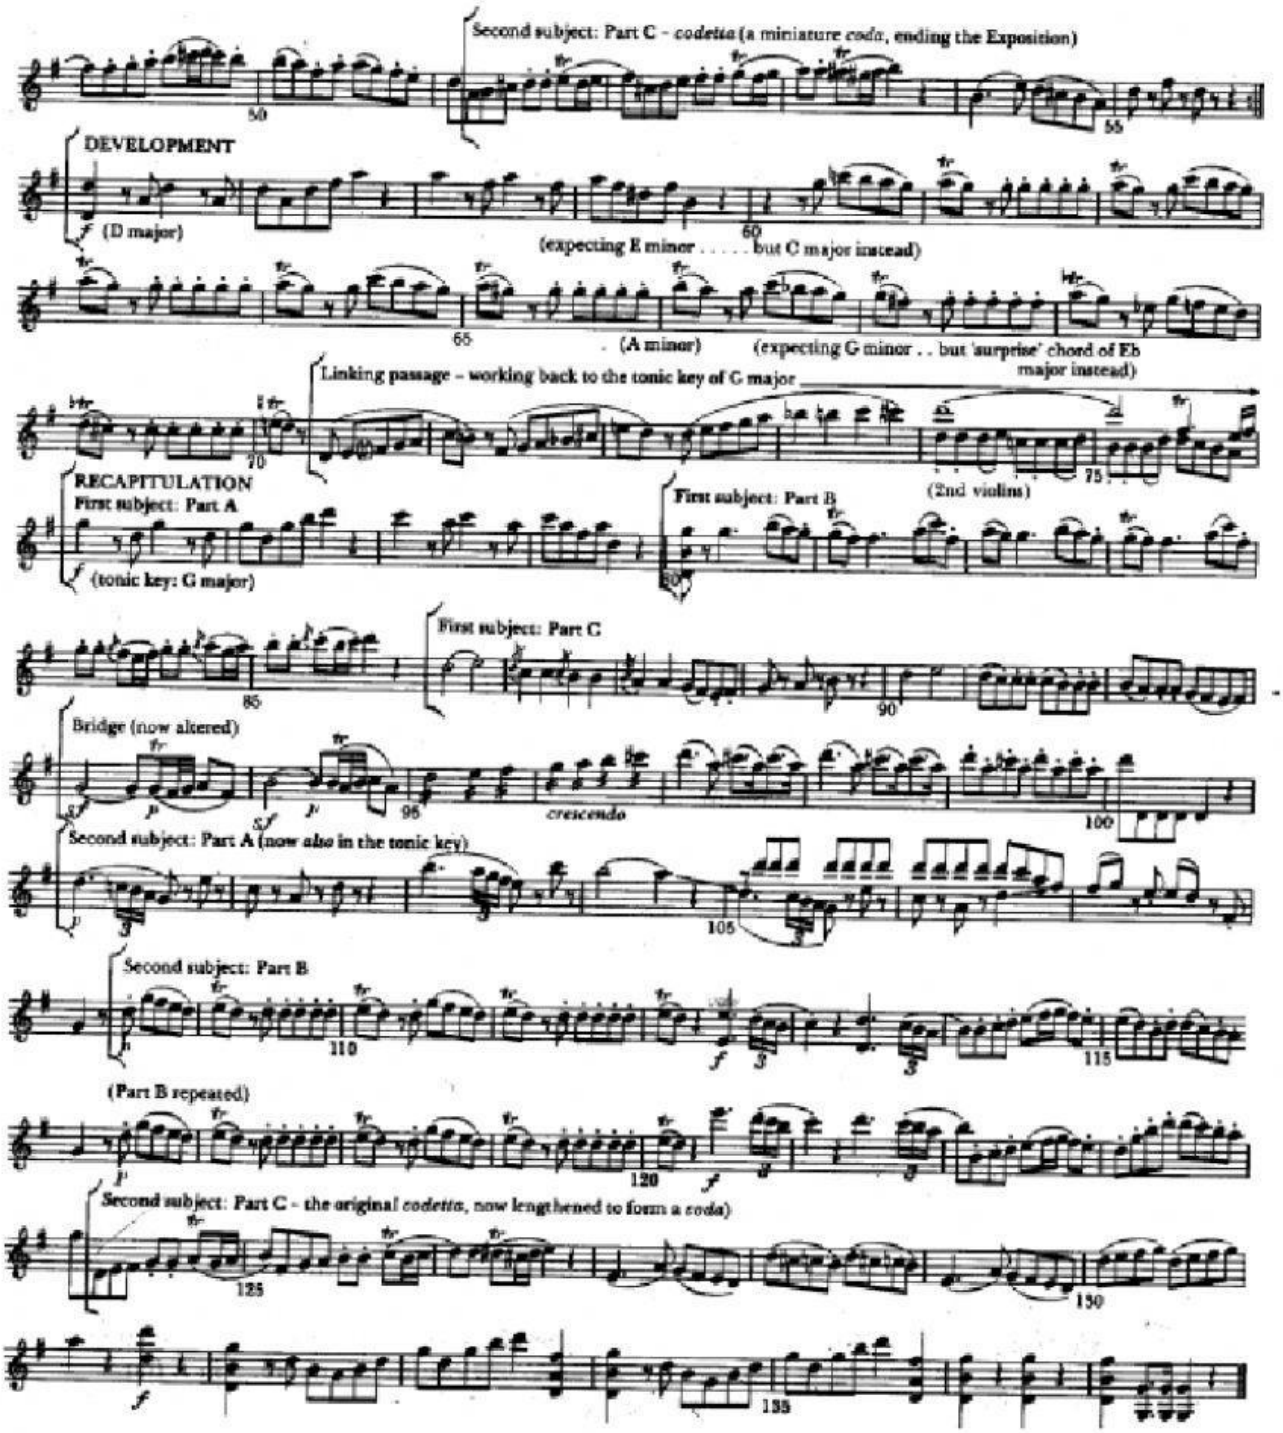
The basic plan of Sonata Form is:

Exposition	Development	Recapitulation	Coda
1st subject (tonic) Bridge (changing key) 2nd subject (new key)	Developing ideas from the Exposition. Adding new ideas. Exploring new keys.	1st subject (tonic) Bridge (altered) 2nd subject (tonic)	To round off

Listen to the first movement of *Eine Kleine Nachtmusik* by Mozart played by a group of **strings**. Try to follow the **sonata form** structure.



LIVEWORKSHEETS



Having listened to this movement, complete the following statements:
