

Find the base or height of each triangle.

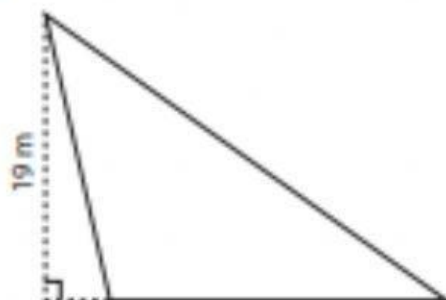

1)

Area = 180 cm^2

Height =

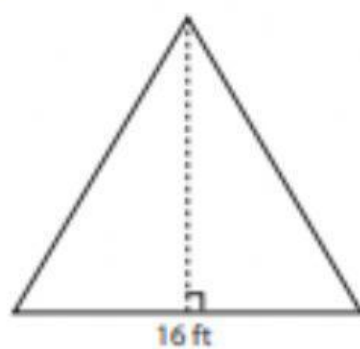

2)

Area = 228 m^2

Base =

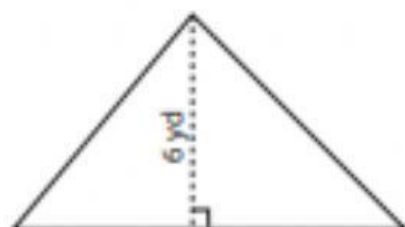

3)

Area = 152 ft^2

Height =

4)

Area = 42 yd^2

Base =

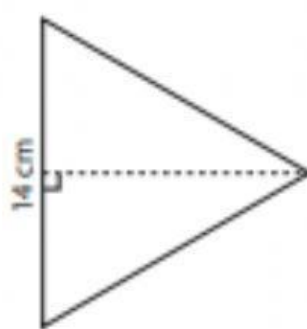

5)

Area = 96 in^2

Base =

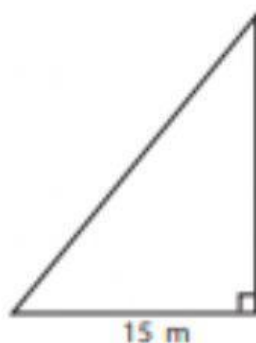

6)

Area = 112 cm^2

Height =

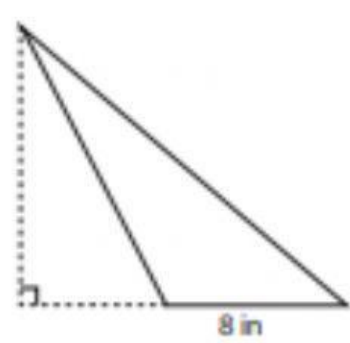

7)

Area = 150 m^2

Height =

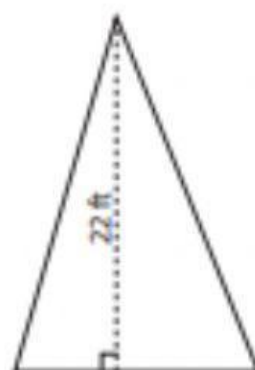

8)

Area = 52 in^2

Height =

9)

Area = 165 ft^2

Base =
