

Where there's a will, there's a way, kind of
And every night has its day, so magical
And if there's love in this, there's no obstacle
That can't be defeated
For every tyrant, a tear for the vulnerable
In every lost soul, the bones of a miracle
For every dreamer, a....., we're unstoppable
With something to in
..... left me broken
....., I was through with hoping
....., my empty arms were open
....., waiting for love, waiting for love

Thank the stars it's
I'm burning like a fire gone wild on
Guess I won't be coming to church on
I'll be waiting for love, waiting for love to around
We are one of a kind, irreplaceable
..... did I get so blind and so cynical?
And if there's love in this, we're unstoppable
No, we can't be defeated
