

UNIDAD EDUCATIVA REPUBLICA DEL ECUADOR
EVALUACIÓN QUIMESTRAL
EJERCICIO INDIVIDUAL DE REFLEXIÓN DE LOS APRENDIZAJES

SCHOOL YEAR
2021 - 2022

NIVEL:	EGB	SUBNIVEL:	Media	CLASS	6TH
AREA	LENGUA EXTRANJERA	SUBJECT	English	QUIMESTRE:	Second
TEACHER	Msc. Verónica Santander				
STUDENT				DATE	

INDICACIONES GENERALES:

Dear student, an individual learning reflection exercise will be carried out for each subject, we will develop it according to the schedule established by the teacher.

These questions are made according to the following parameters that we will qualify: Comprehension of the contents at the disciplinary level, Applicability of what has been learned in the personal, local, national and/or world theme, Commitments acquired from the learning developed, Integration analysis curricular of acquired learning, that is, what the student discovered about the connection between subjects (interdisciplinarity).

Your commitment, responsibility and reflection in the development of these exercises help to create a solid understanding on which we can build levels of knowledge in each subject. You can rely on your portfolio, school texts, internet etc.

Each question is worth 2 points.
