

READING

I.- Read the letter and circle True or False.

Dear Grandma,

How are you? I'm writing to tell you about my new favorite hobby. I like dancing and painting, but now I like singing! Singing is my new hobby and it's better than playing computer games because you can be famous someday. Also, singing is good for your voice. I think playing computer games are the worst activity because it's not healthy.

Singing is the best hobby now because it makes me feel happy! I hope you like to sing too!

Love,

Martha

II. Read the text about giraffes and choose YES or NO.

I love watching the Animal Planet channel. It is my hobby. I think that it is more interesting than other channels that have animals, too.

Last week, there was a documentary about giraffes. I knew they are tall animals with the longest necks, but I didn't know a lot of other facts about them. For example, did you know they can run up to 35 miles per hour? They can! And they don't need to drink water so often because they get the water from the leaves they eat. And they only need to sleep 30 mins per day.

Aren't they the most amazing animals?

Read and tick 4 correct sentences.

- ☐ Animal Planet is the only channel about animals.
- ☐ The documentary about giraffes was on TV yesterday.
- ☐ Giraffes have the longest necks.
- ☐ Giraffes don't need to drink a lot of water.
- ☐ Giraffes need to sleep 30 minutes every day.
- ☐ The leaves they eat have a lot of water.

LET'S GO ON, AN ADDITIONAL CHALLENGE FOR YOU - OPTIONAL:

Read and match the beginning on the left with its correct ending on the right. Use numbers.
