

After that

Finally

First

Then

Mike: So Jill. How do you make that fried rice again?

Jill: You've forgotten already? OK. _____, you need to cook the rice. _____, while it's cooking you can chop the vegetables. _____, heat some oil in the pan and throw in the chopped garlic. _____ you can add the vegetables and _____, the rice. And don't forget, keep stirring as you add everything.

Mike: Is that it?

Jill: Yeah, it's really easy.

Mike: Wow, great. Thanks. I'm going to give it a go right now.

Jill: Good luck.

Mike: Thanks.
