

The worksheet displays two identical sets of ten number lines (1-20) at the top and bottom. Each set contains three rows of fish illustrations representing different quantities. The first row shows yellow fish, the second shows red fish, and the third shows green fish. Between each pair of rows are comparison symbols ($<$, $=$, $>$) indicating the relationship between the quantities.

Number Line	Yellow Fish	Red Fish	Green Fish
1-20	6	8	9
1-20	7	9	10
1-20	8	10	11
1-20	9	11	12
1-20	10	12	13
1-20	11	13	14
1-20	12	14	15
1-20	13	15	16
1-20	14	16	17
1-20	15	17	18
1-20	16	18	19
1-20	17	19	20
1-20	18	20	
1-20	19		
1-20	20
