

**Listening: My School**

**Exercise 1: LISTENING GAP FILL**

Most kids say they \_\_\_\_\_ school. They say their subjects \_\_\_\_\_ or there's too much \_\_\_\_\_. In fact, school is one of the best times of a person's life. Think about it. The hours are short – usually just six hours a day. You have \_\_\_\_\_ to learn lots of really useful stuff. You get to do \_\_\_\_\_ experiments, learn a \_\_\_\_\_ instrument and play \_\_\_\_\_. On top of that, you get loads of \_\_\_\_\_. Oh, I nearly forgot, you also get to see and play with \_\_\_\_\_ five days a week. What is there not to like? OK, \_\_\_\_\_ lunches are not the best in the world but you can bring your own \_\_\_\_\_. And yes, \_\_\_\_\_ are stressful, but if you study, you'll do well in them. I'd love to \_\_\_\_\_. If I had another \_\_\_\_\_, I'd try my best in \_\_\_\_\_.
