PINOCCHIO

In fact, every time Pinocchio told a lie, his nose became longer and longer.

Every time, Geppeto's friend, the woodpecker had to peck the boy's nose to its actual size. And every time, Pinocchio used to promise to be a good boy next time.

But Pinocchio soon forgot his promises. He thought, "School is no fun at all. I don't want to study anymore. I want to have grand adventures!"

So, Pinocchio and his friends ran away from home and joined a circus.
