

Imagine you work for an animal charity and you want to raise money to help an animal. Write an advert for an animal. You can write about polar bears (use information in your books p. 85 ex.6) or pandas (use information in your workbooks p.76 , ex.5-6 ) or you can choose any other animal you like.

Use this plan:

- Write the slogan –name of the text
- Describe the animal and where it lives
- Say how many are there in the wild
- Include the information about why the animal is in danger
- Ask for help

Use your book (text about tigers, p.85) and workbook (text about rhinos, p.76) as an example.
