

Thank you for calling Manchester Zoo The zoo is open on six days and closed on Mondays. The opening hours are from ten a.m. until it gets dark. This is half past nine in the summer and four o'clock in winter.

There is a guided tour of the zoo every hour. Visitors for the tour should wait at the entrance which is where the tour begins. Our guide will meet you there. The tour finishes at the café.

You should not feed the animals but you can watch when we give them something to eat. Every day at two o'clock the lions are given their food and the elephants get theirs at three o'clock.

There is a shop in the zoo where you can buy books and games. All the family will like playing these. There is also a café which sells snacks.

Tickets for adults cost six pounds eighty-five and children's tickets are four pounds sixty-five. A family ticket, for two adults and three children, is eighteen pounds seventy-five.
