Welcome to Barbados where the sun shines for over 3,000 hours a year, and where we have fresh island breezes to keep us cool. We have more than thirty miles of white sandy beaches and clear blue waters. In Barbados you can relax and forget the stress and worries of the rest of the world. There is lots to do for everyone. There are ideal conditions for swimming on the west coast, and for surfing on the south coast. There are also many interesting places on the island and excursions to go on, like the cruise on the famous pirate ship, *the Jolly Roger*.

The Barbadian people are friendly, fun-loving and hospitable. They have a distinctive culture, with African roots and British influence, and 350 years of democratic government. There is a wide variety of hotel accommodation, from luxury hotels to modest, comfortable guest houses for you to stay in.
