

Why is Nita Upside Down?

Nita feels strange. She doesn't want to be in the playground with the other kids. Navi wants to help her.

Every human is "strange". What are the kids like?

NAVI	wears glasses
ABE	has got crazy hair
CHI	is round (= fat)
LALA	is skin and bone (=very thin)
BAM BAM	likes reading quietly
LULU	is wild
FREYA	is freckled
TIM	can't speak fluently
NITA	is extra tall

We can't be the same to "play" in this world. What are YOU like?
