I really enjoyed this game. The aim is to build a city, but there are a lot of problems to solve along the way. [] houses, hotels, roads and factories can you build? [] money and energy do you need to build them? Players use money called 'megabucks'. You start with just [] megabucks, so you must spend them carefully. It's difficult to build a city on your own, so [] players work together. For example, if you have only got [] energy, you can borrow or buy [] electricity from a neighbour. But selfish and greedy players don't make [] friends. If they haven't got [] money or energy, no one helps them and they can't finish their city. So it's best to be friendly to the other players!
