

EXERCISE5

Listen to eight speakers spelling out names and numbers. Listen carefully and decide which names and numbers have been written down correctly.

Choose the correct answers.

IELTS short-answer questions test your ability to listen for facts. The facts you hear may be **words** or **numbers** such as:

- the name of a person, a place or a thing
- the title of a book or film
- an address
- a price
- a telephone number.

Often, you have to listen to someone spelling a word or reading a number so you can write it down.
