7. Temática

La historia comienza con el ejército de Sauron que ha atacado Minas Tirith, la capital de Gondor. Una poderosa amenaza pone en peligro la paz del reino, que era poderosa y que ahora necesita más que nunca a su rey. Ante esta situación límite, Aragorn se presenta como una figura clave para llevar al reino a la victoria. Mientras tanto, Gandalf intentará contener a las fuerzas destructoras de Gondor y Théoden pedirá a los guerreros de Rohan que se unan al combate. Sin embargo, a pesar de su valor y lealtad, parece que las fuerzas de los Hombres no serán suficientes para derrotar a las inmensurables legiones de enemigos que se ciernen sobre el reino. Cada victoria vendrá acompañada de grandes sacrificios y, a pesar de las pérdidas, la Comunidad continuará su batalla por sobrevivir hasta el final. Al mismo tiempo, sus miembros intentarán atraer la atención de Sauron para darle a Frodo la última oportunidad para completar su misión. A medida que atraviesa las tierras enemigas, el joven hobbit, acompañado por su fiel amigo Sam y el misterioso Gollum, tratará de evitar sucumbir a las continuas tentaciones del Anillo Único.

7. Cuando

Recomiendo encarecidamente El retorno del Rey. Tiene acción, drama, una gran banda sonora, y una buena trama, pero sobre todo, unos efectos especiales increíbles.

8. Preferir

Creo que siempre preferiré la clásica La Comunidad del Anillo, porque fue la primera parte, y fue el primer impacto con este nuevo mundo por primera vez.
