This is my friend. His name is Nick. He is ten years old and he is a pupil. He usually has free time on weekends. In his free time he often plays soccer, badminton or tennis. Playing sports helps him stronger and he feels more comfortable. After he plays sports he usually goes home and takes a bath. Next, he listens to some of his favorite music and then prepare his books for the next study week. On rainy days when he can't go out to play sports, he stays at home and plays games and cleans the house.
