Hi, George,
Greetings from London! We are on a school trip here. We travelled to London by plane. We're staying in a comfortable hotel near the city centre. The weather is warm but cloudy.
London is a beautiful old city. We were in the central square yesterday. We saw many beautiful pictures in the picture gallery, too. Tomorrow we are going to the theatre. We want to see a ballet. I took many photos and bought some souvenirs for my parents and you. We're going back to our town on Monday.
All the best,
Peppa
