Catch Nature on Film!

Enter the Cold Creek Wildlife Refuge's Nature Photography Contest for Kids

HOW TO ENTER

1. You must photograph an animal, a plant, or a landscape that is part of Cold Creek Wildlife Refuge. Photographs must be in color and no larger than 5 x 7. You must take the photographs yourself, but you can have the film processed by a professional.
2. Photographs must be taken by children no older than 13.
3. Photographs will be judged on skill, creativity, and how well the photographs represent the Cold Creek Wildlife Refuge.
4. Each person may enter up to three photographs. Send in your photographs along with a letter explaining where and when the photographs were taken. All photographs must be mailed by October 14.
5. Twelve winners will be chosen. The winning photographs will become part of the Cold Creek Wildlife Refuge's annual calendar. Money raised from selling the calendar is used to support the Refuge's education program. Winners will receive a copy of the calendar, a framed print of their photograph, and the chance to spend a day with one of the Refuge's scientists.
6. Winners will be announced on December 1. Calendars will be available by January 1.
