## About me

Hi! My name's Jo. I love travelling and discovering new places! I created my blog to share all my adventures with you. I hope you enjoy reading about all the cities I visit! *xxx*

**VALENCIA** is a city on the east <sup>1</sup>c \_\_\_\_\_ of Spain. It's a <sup>2</sup>m \_\_\_\_\_ city. It isn't as big as Madrid or Barcelona, but it isn't small. It has a festival called Fallas, which takes place in March. During Fallas, Valencia is very <sup>3</sup>cr \_\_\_\_\_ because lots of people visit the city. It's also very <sup>4</sup>n \_\_\_\_\_ because there's music and fireworks in the street until very late at night. Valencia has many new buildings, but it has some <sup>5</sup>h \_\_\_\_\_ buildings in the city centre, for example, the post office and the <sup>6</sup>t \_\_\_\_\_ h \_\_\_\_\_. It has some really old religious buildings, too! There are some beautiful churches, especially the <sup>7</sup>C \_\_\_\_\_.

**SHANGHAI** is a very large city in China. It's 1,200 km <sup>1</sup>s \_\_\_\_\_ of Beijing on the Yangtze river. Shanghai's a really <sup>2</sup>m \_\_\_\_\_ city with lots of very tall buildings. It has many beautiful things to see, for example, the City God <sup>3</sup>T \_\_\_\_\_ and the Yu Yuan Gardens. There is also the China Art <sup>4</sup>M \_\_\_\_\_, which is the largest in Asia. Shanghai is an <sup>5</sup>e \_\_\_\_\_ city – there are so many things happening and so much to see... and eat! Go to an outdoor <sup>6</sup>m \_\_\_\_\_ and try some of the delicious street food, like noodles, rice balls, and pancakes. For the best views in the city, take a walk around the beautiful <sup>7</sup>h \_\_\_\_\_ and enjoy looking at the boats and the lovely tall buildings!

**ST PETERSBURG** is one of the largest cities in Russia. Apart from the world-famous Hermitage Museum, it has many interesting things to see. If you want to visit an amazing building, go to see Gatchina <sup>1</sup>P \_\_\_\_\_, which was a summer residence for the Russian tsars. It's full of interesting art, and you can then walk around Gatchina Park and enjoy the <sup>2</sup>l \_\_\_\_\_ and its beautiful clear water. When you get back to St Petersburg, you can go shopping, for souvenirs in Svetlanovsky <sup>3</sup>d \_\_\_\_\_ st \_\_\_\_\_. If you want more shopping, you can visit the Galleria shopping <sup>4</sup>c \_\_\_\_\_, which also has a cinema and a lot of different restaurants. To complete a fabulous day, go for a walk to the mysterious Egyptian <sup>5</sup>Br \_\_\_\_\_ over the Fontanka river and take photos of the amazing Egyptian statues on it!

### ACTIVATION

Work with a partner. Which of the three cities would you like to visit most?
